MRS. MILTON RAGSDALE

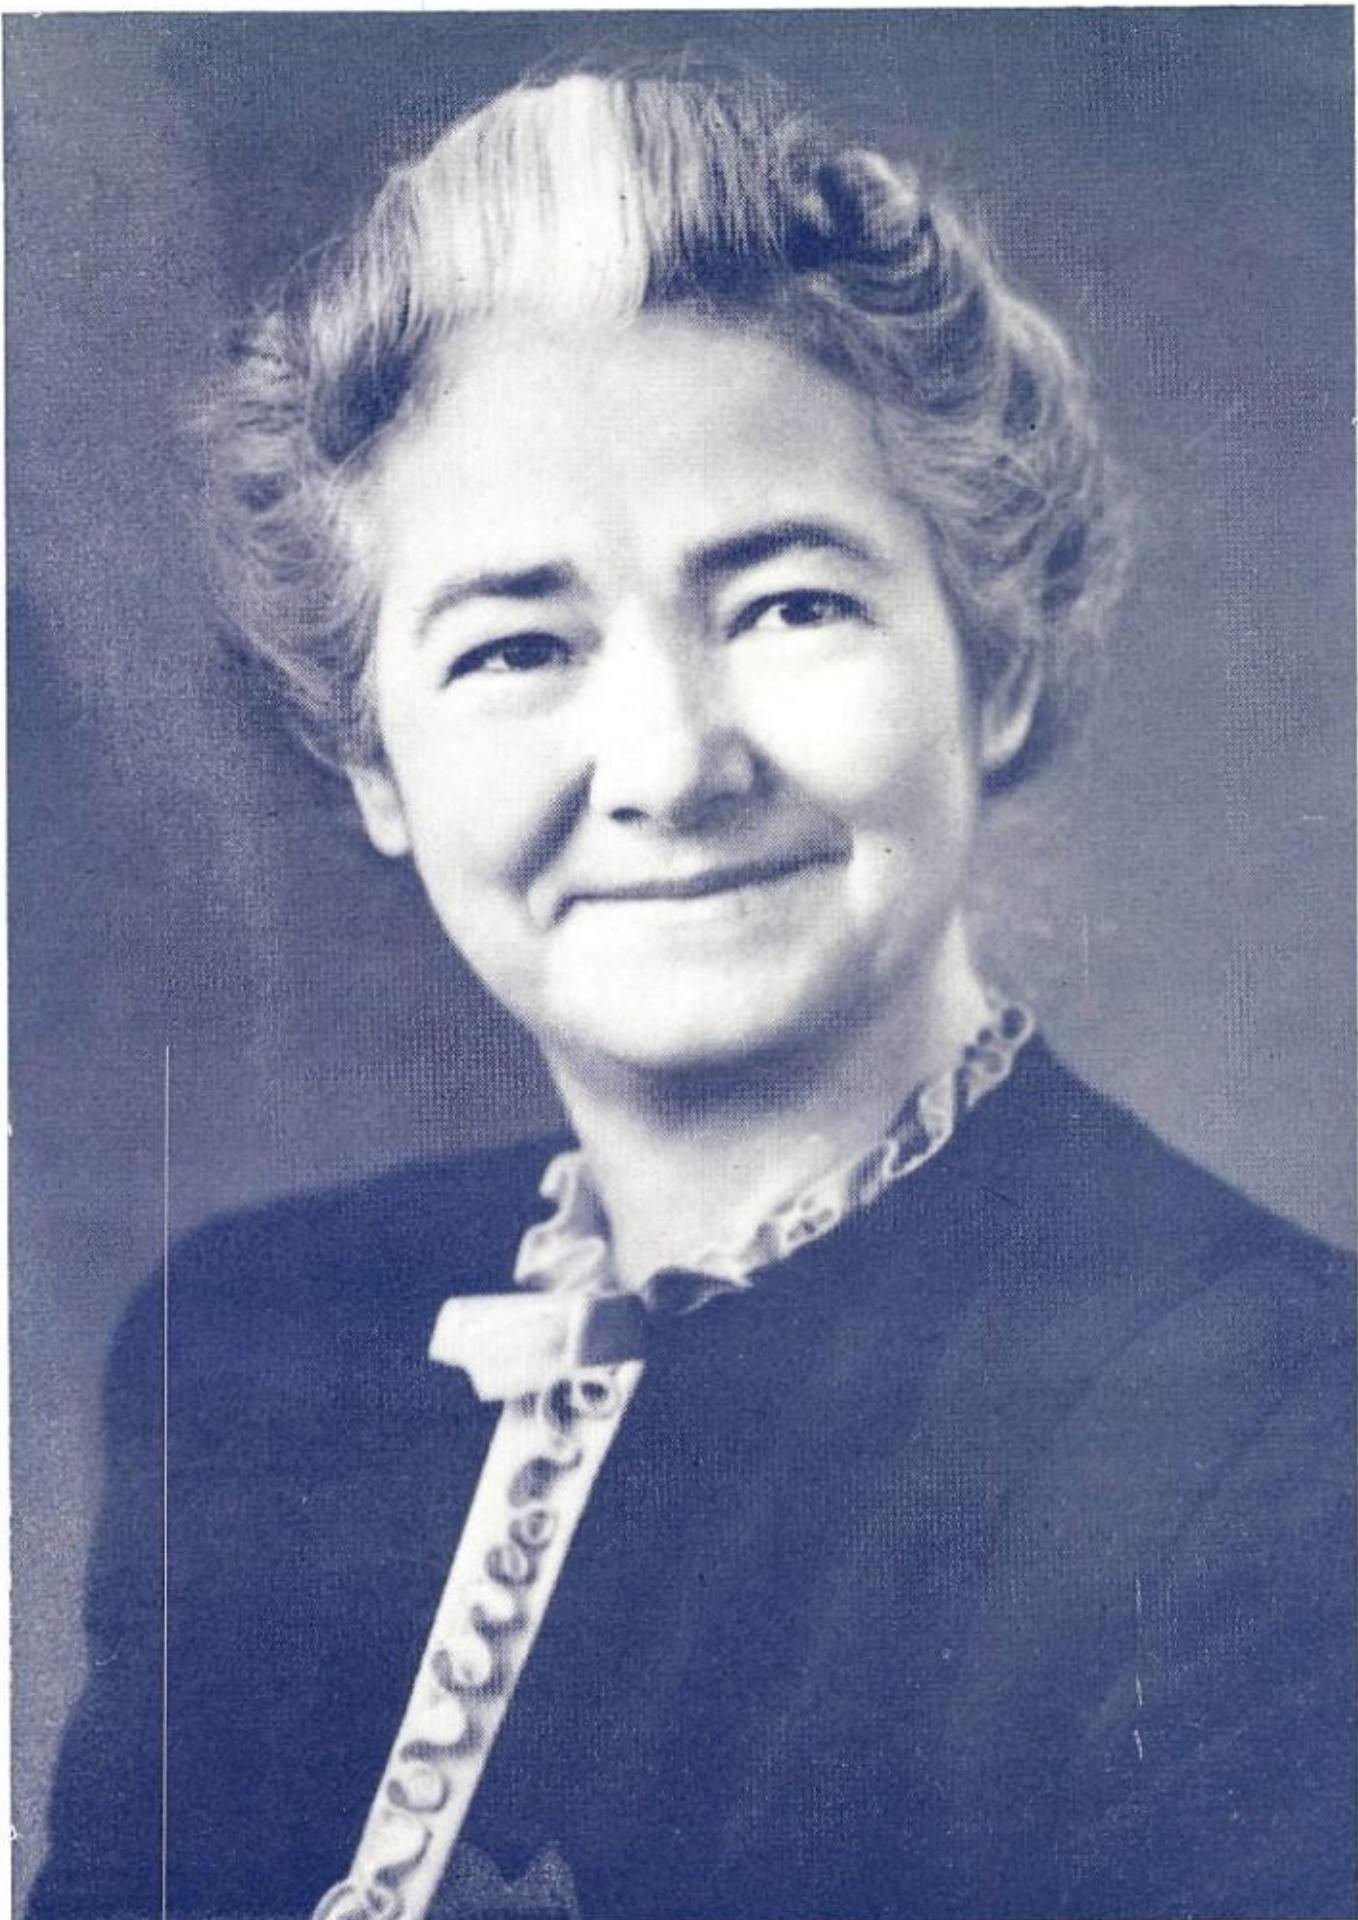

The saying, "Like mother, like daughter," certainly holds true in this family. Mrs. Bishop's daughter, Mrs. Milton Ragsdale, attended the University of Texas and has her B. A. and M. A. degrees. Mrs. Ragsdale majored in government and was employed by the Eighth Regional War Labor Board in Dallas. She is now in Washington, D. C., and is in the Policy Division of the National War Labor Board.

## *Honoring Mrs. Selma L. Bishop*

Mrs. Selma Bishop, who has taught at Abilene High School for sixteen years, is one of the most beloved teachers of the faculty. Mrs. Bishop attended the University of Texas, where she secured both her B. A. and M. A. degrees. Since she teaches English and takes a special interest in creative writing, she has sponsored such clubs as Ready Writers and National Essay League of America, and has published poems of her own. She takes a special interest in her daughter, Eleanor, who is a graduate of Abilene High School. Mrs. Bishop takes an active part in church work and is a valuable member of American Association of University Women and the Delta Kappa Gamma, an honor organization for women teachers. She is the wife of Mr. John A. Bishop.

MRS. SELMA L. BISHOP

MRS. SELMA L. BISHOP

Because of our appreciation of the high ideals, worthy accomplishments, and genial guidance of one who faithfully serves dear old Abilene High—one who inspired us to greater things and has planned for us and trusted us, we lovingly dedicate this—the 1946 Flashlight—to Mrs. Selma L. Bishop.

Dearest Par. 701  
Well, we're  
This is the year for reconversion,  
and our annual takes on a peace-  
time appearance. Pleasant colors  
and padded covers are back to  
brighten our book. Although the  
year 1946 brings back many new  
and novel elements in our daily  
life we have not reached into the  
future for a theme; instead, we  
have taken a standby of Eagle-  
land—"Old Baldy," our stadium  
eagle as the theme of our book,  
and doesn't he deserve it! As en-  
during as Eagle Spirit, "Old Baldy"  
has taken distant journeys  
and undergone weird experiences,  
but still he remains triumphantly—  
our Eagle. We hope this book has  
captured the scenes and glimpses  
of life at Abilene High School that  
you will want to remember in  
later years. As for a rollcall of  
this annual's sections, you find  
Administration, Classes, Favorites,  
Athletics, Clubs, and Advertise-  
ments—all with a general sprink-  
ling of popular features.

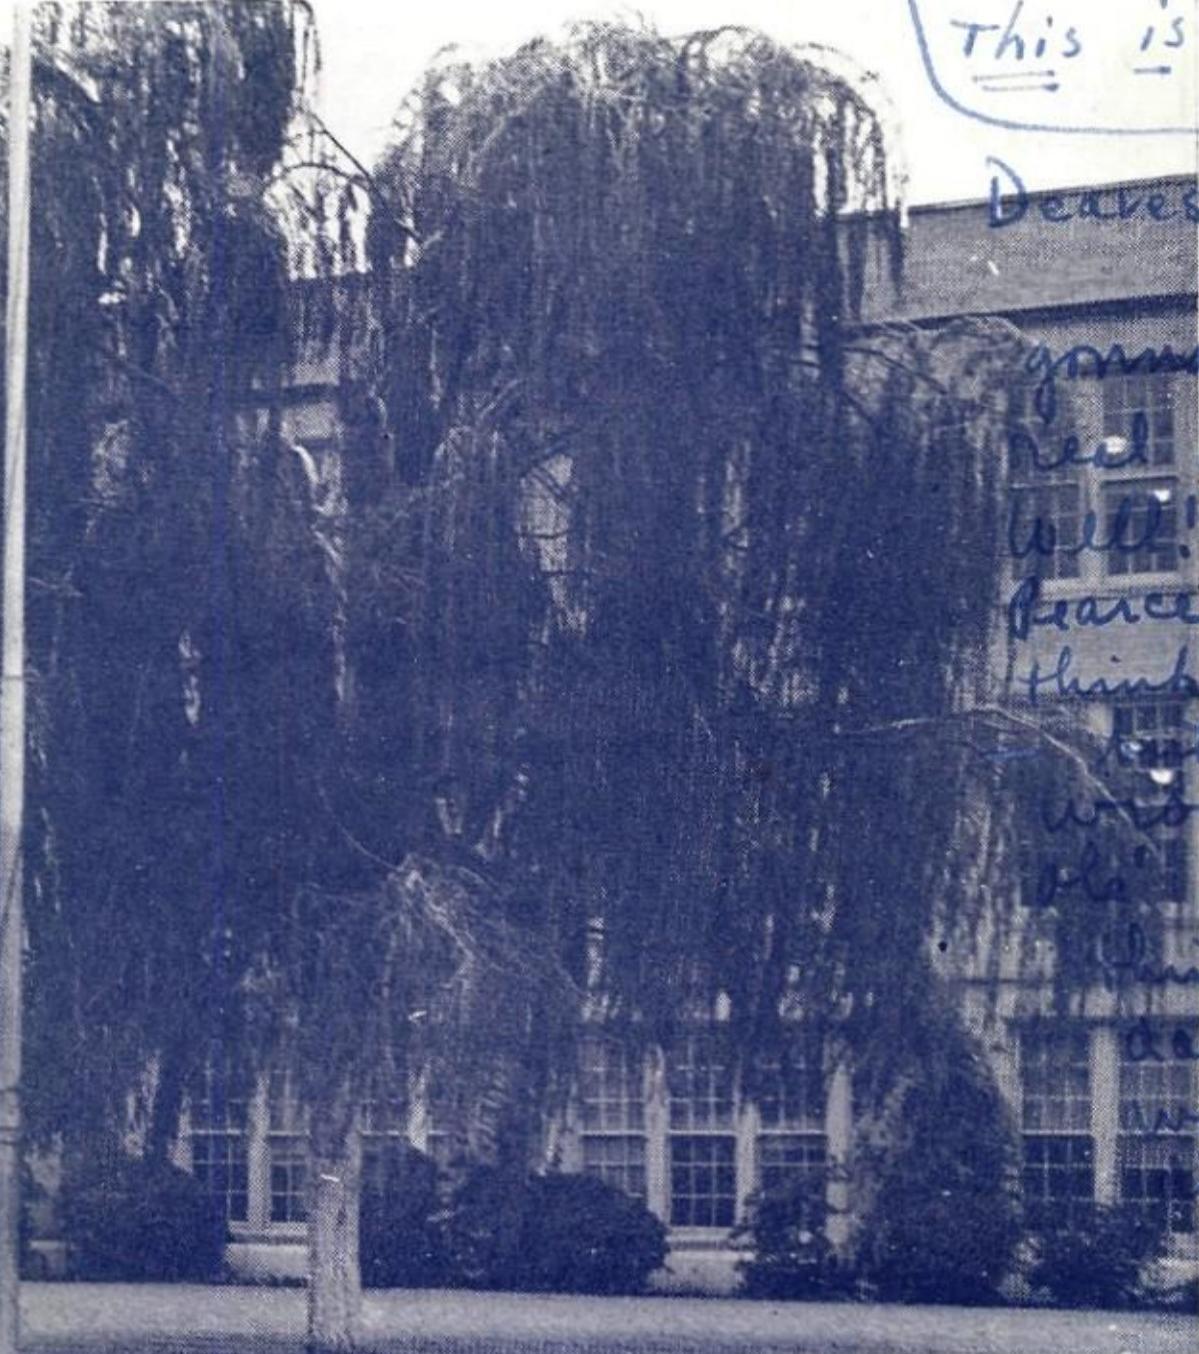

The best so best's  
dropping you always  
get it. Please lots of  
lucks and success

*We love you*

To the Students:

Your editor requested a message from me.  
Since space is limited, brief I must be,  
"In fifty words," so my instructions ran,  
... "Give us whatever advice you can."  
James Russell Lowell once had a similar task  
to do,

His words of wisdom, I commend to you:  
"Greatly begin! though thou have time  
But for a line, be that sublime—  
Not failure, but low aim is crime."

"Enter to learn, go forth to serve"

Burn this thought into your mind and soul so deeply that you will never forget the underlying principle upon which Abilene High School is founded.

My prayer to Almighty God is that you may allow Him to give you strength, courage, ambition, and determination to understand and execute this noble motto of all true Eagles.

In a country where the form of government is a democracy, the underlying principles must undergo a greater test in the period immediately following the close of a war than during the conflict itself.

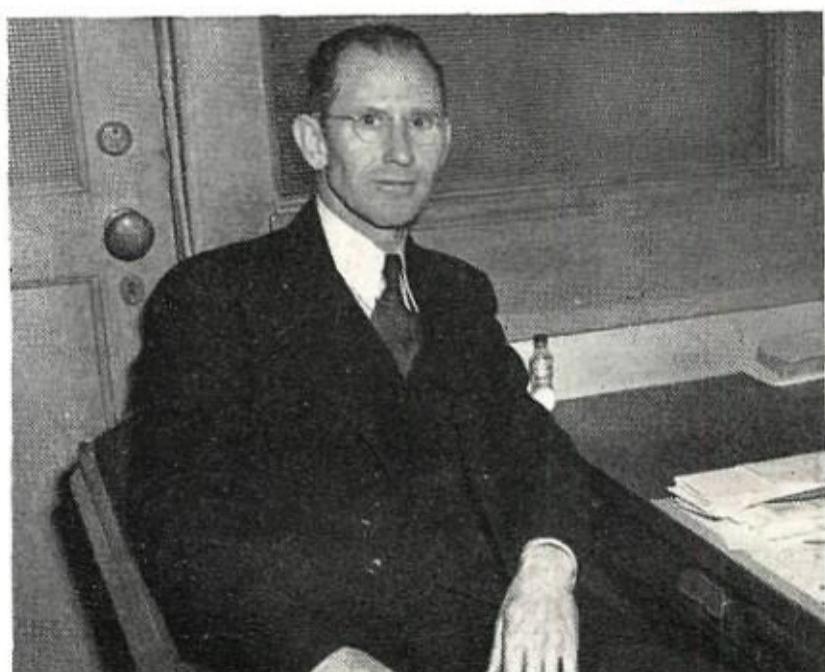

The problems that we now face surely make us realize that we must put forth great effort to win peace.

May we put aside our personal differences and work together to push the cause of democracy ever forward.

DON B. WEATHERBY

Dear Students:

The land today is filled with youth movements permitted and even promoted by adults. This eagerness to give to boys and girls a part in re-shaping the world in which they are living gives you an opportunity to do all the wise and good deeds for which your ability and training have fitted you. In your thinking and planning for tomorrow, may your broad humanity lead you to consider not just yourself, but all the peoples of the world.

Sincerely yours,

MRS. EDITH C. SMITH

Dear Pat

I think you a the cutest girl I have ever been with. You have the best personality anyone I know. I bet you have had a big time listening to me talk about baseball all of time. I have more fun with you than any other girl I have went with. I hope we will have lots more. You know how every body says they sure have enjoyed knowing you and all of that bull. Well I am saying that too but I really mean it. I sure have had a big time coming in here every morning and shooting the breezy. When I first got here you were the friendly and the sweetest person in school and you still are. I sure do hope you can pass this later without my help. I re-would like to get caught.

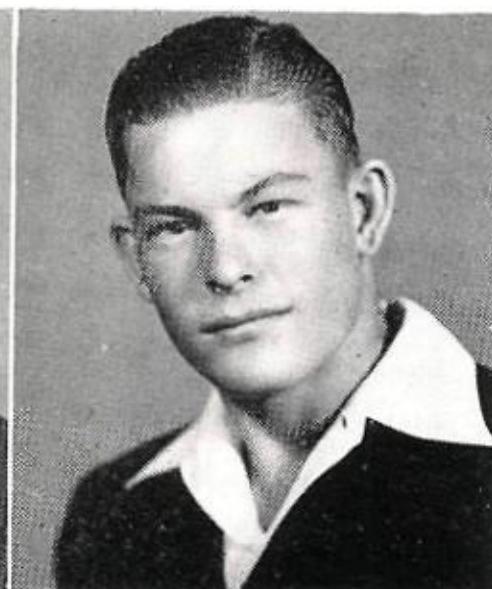

With all my love,  
Jack

## BILLY WAYNE WILSON

Born at Burkett, Texas

January 15, 1930

Died of infantile paralysis

October 25, 1946

While he was in school, Billy Wayne was especially interested in mathematics, history, and shop. He enjoyed all kinds of sports.

In memory of our young friends who were taken from us in the fall with the passing of the flowers, we paraphrase Bryant's lines:

*In the deep warm earth we laid them  
as the trees were casting leaf,  
And we wept that sons so precious  
were allotted lives so brief;  
Yet truly fitting was it that these  
classmates of ours,  
So young and so promising, should  
perish with the flowers.*

Well, fellows, I know that you will always remember this season not for the games won or lost, but for the lessons learned. One can always hold his head up when he does his best and plays for the good of the team. I feel that we learned the true value of team spirit and what was meant by "Have no regrets and no enemies" at the end of a game.

The best of luck to all of you, and may you always keep the same high standards as you go through life.

Sincerely yours,

## FOOTBALL

Dear Football Fellows:

I should like to express my sincere appreciation for having the honor of being chosen football sweetheart this year. It is one of the highest honors I have ever received. I will do my best to make you proud of me, as I am of you. I am proud of the good, clean sportsmanship and co-operation you have shown this year. The coaches should be congratulated on producing such fine spirit and such a wonderful team.

Sincerely yours,

MAEWYN

BILLY MURPHEY

Captain

Back—150

"Murph" was judged outstanding back of the squad and one of the outstanding backs of the District, winning All-District by unanimous decision. He became an exceptionally hard runner to tackle, and developed great passing and kicking ability. He won All-State honorable mention.

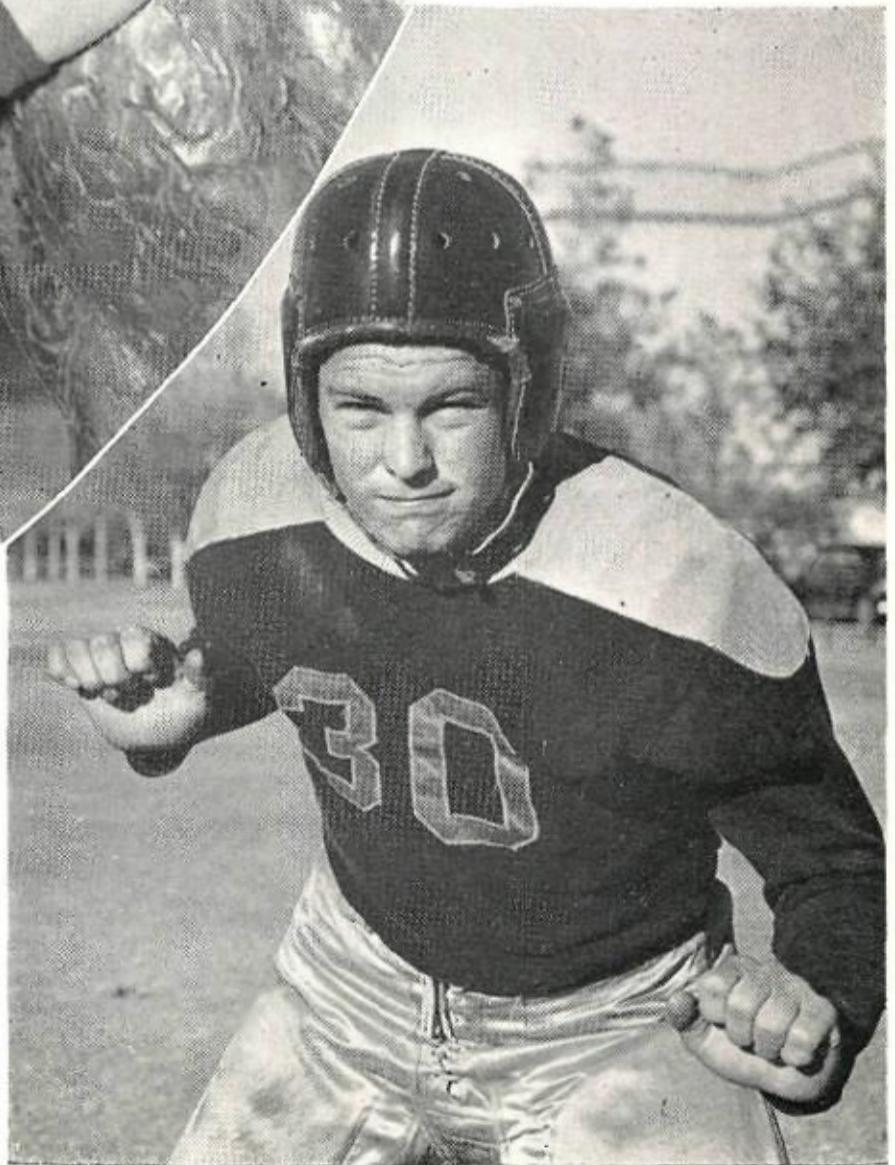

MAEWYN BAILEY  
Eagle Sweetheart

GLENN GREEN

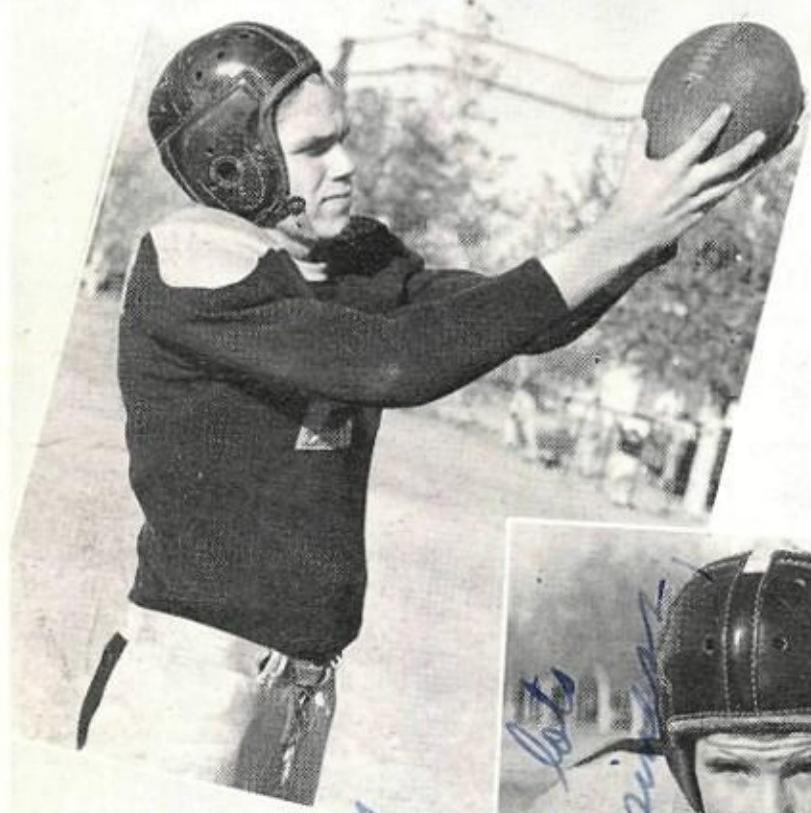

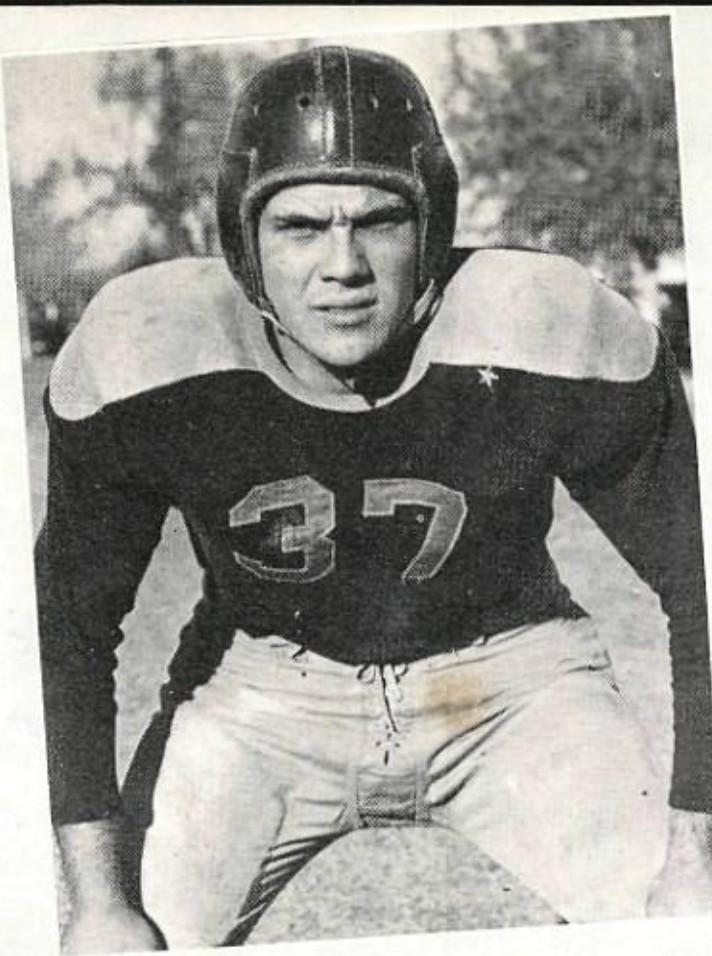

Captain

Guard—155

Green governed the offense as well as the defense of the team. Since he was a linesman, this proved that he must have had unusual leading ability, for most quarterbacks rule from the backfield. He became renowned for his vicious tackling and blocking and earned second team All-District.

Green

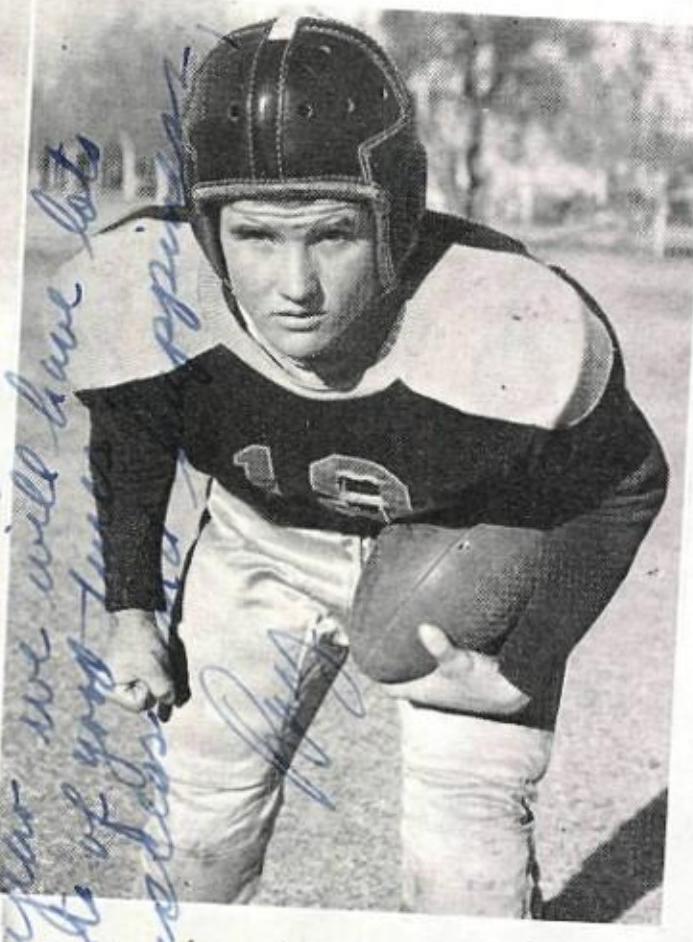

BILLY BRASELTON

End—165

"BB" earned everyone's appreciation as the best spirited worker on the squad. He made everyone stand out but himself, and was the oil that made things work smoothly on the line.

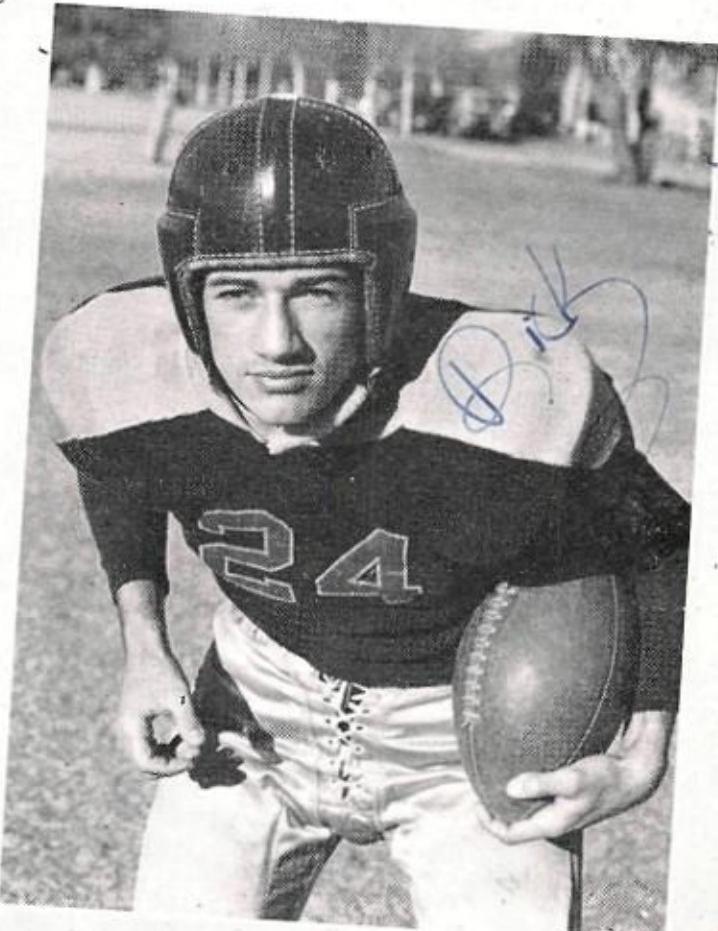

*BB, I have had a  
ful time this year.  
I hope you have  
a good year and I hope that  
you have your  
person and I hope that  
we will have lots  
of fun.*

RAY PERRY

Back—145

Perry reigned as the best blocker on the squad. Being blocking back, he did not run with the ball very often, but when he did, he was a compact and potent powerhouse.

H. D. TERRY

Back—142

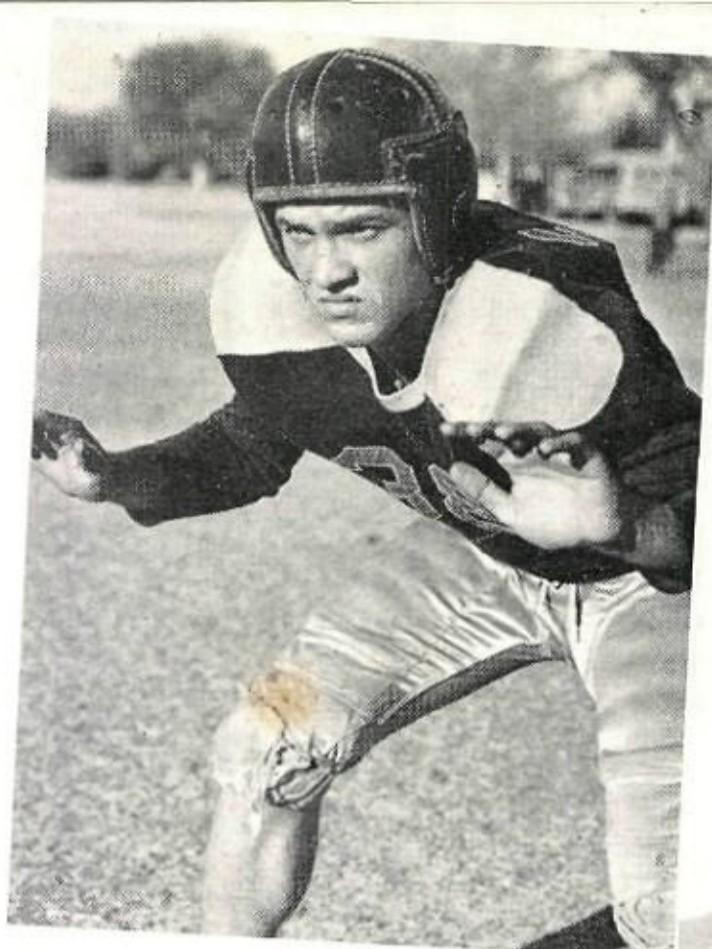

"Dick," one of the speediest and shiftest backs in the State, was repeatedly outstanding on end runs. His star shone at Big Spring, where he won the ball for being the best player.

DAVID BOWERS

Guard—165

"Granite Foot," a steady and dependable player, obtained renown as a permanent, "stick-to" blocker. He missed several games of the year because of a mid-season injury.

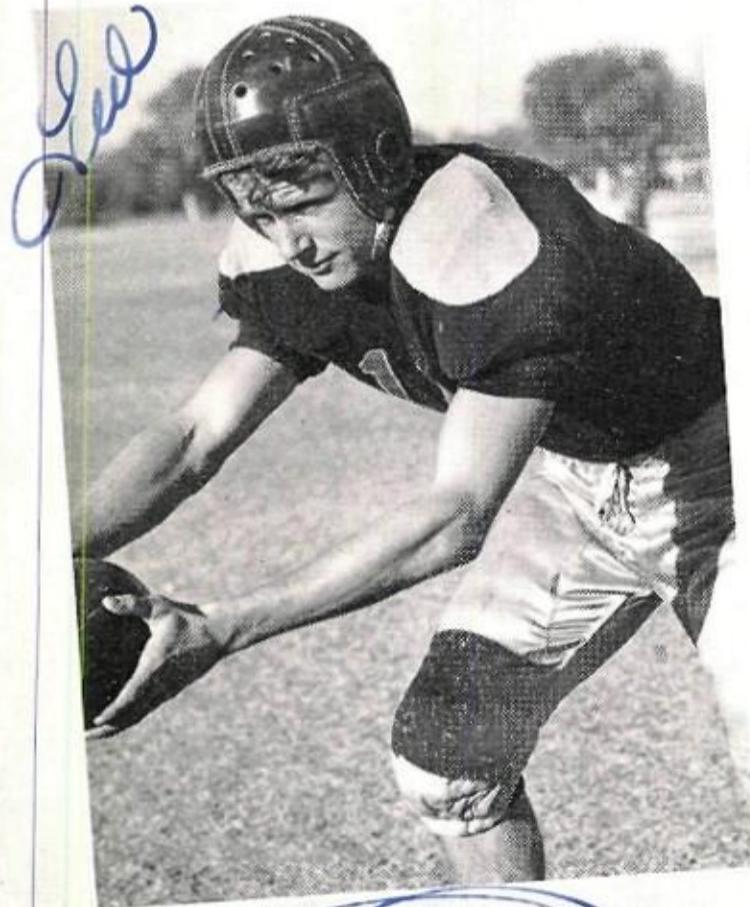

NORMAN DAULTON

Tackle—198

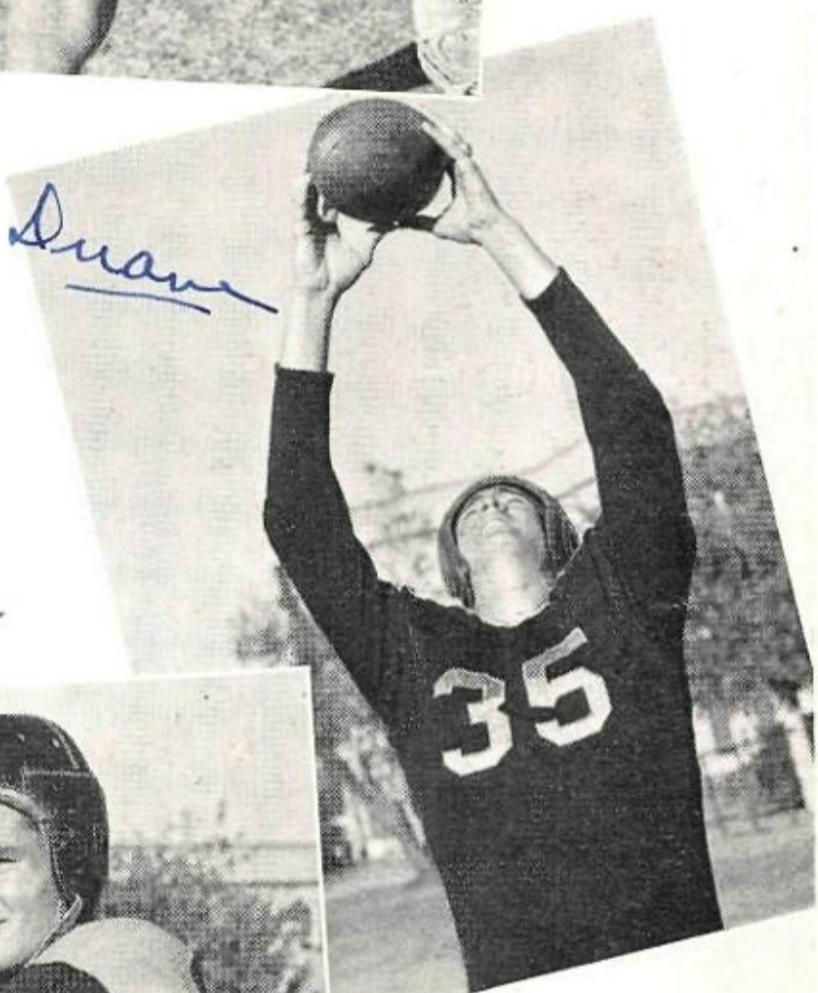

"Big-un," recognized by the whole district as a jarring blocker and an immovable, barricading defender, won a position on the All-District second team with no close competitor.

## FOOTBALL

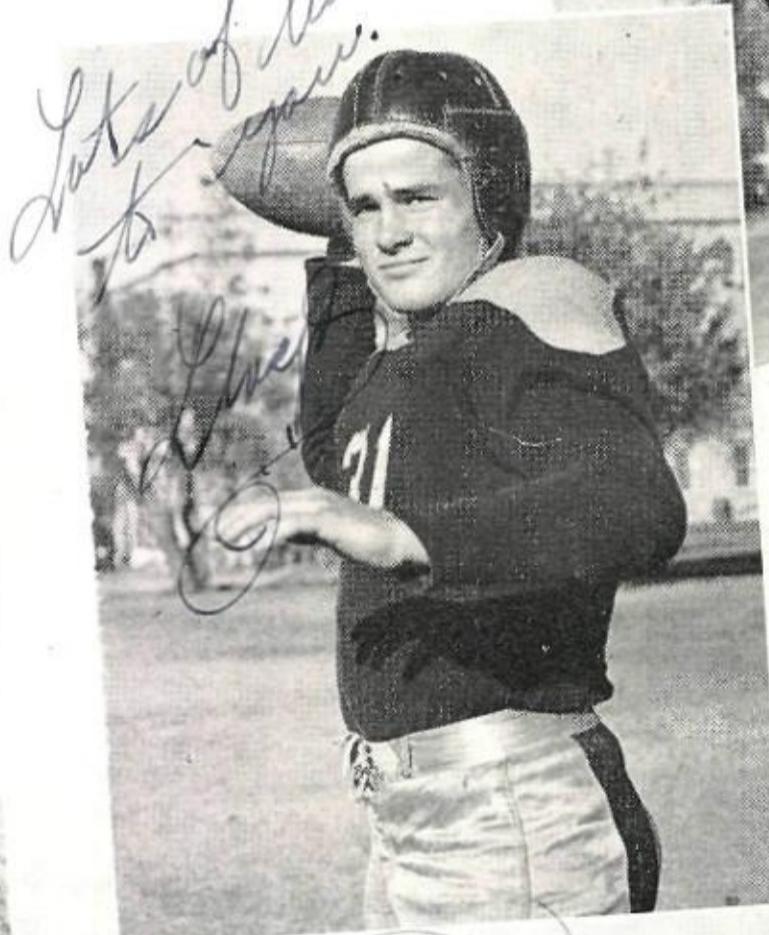

*Ged*  
TED HARDIN  
Back—140

"Tediumus," another of the speed demons of the State, ruled as the power-plunger of the squad. He exploded through opposing lines and reeled off seemingly impossible yardage.

*Duane*  
DUANE HENDLEY  
End—175

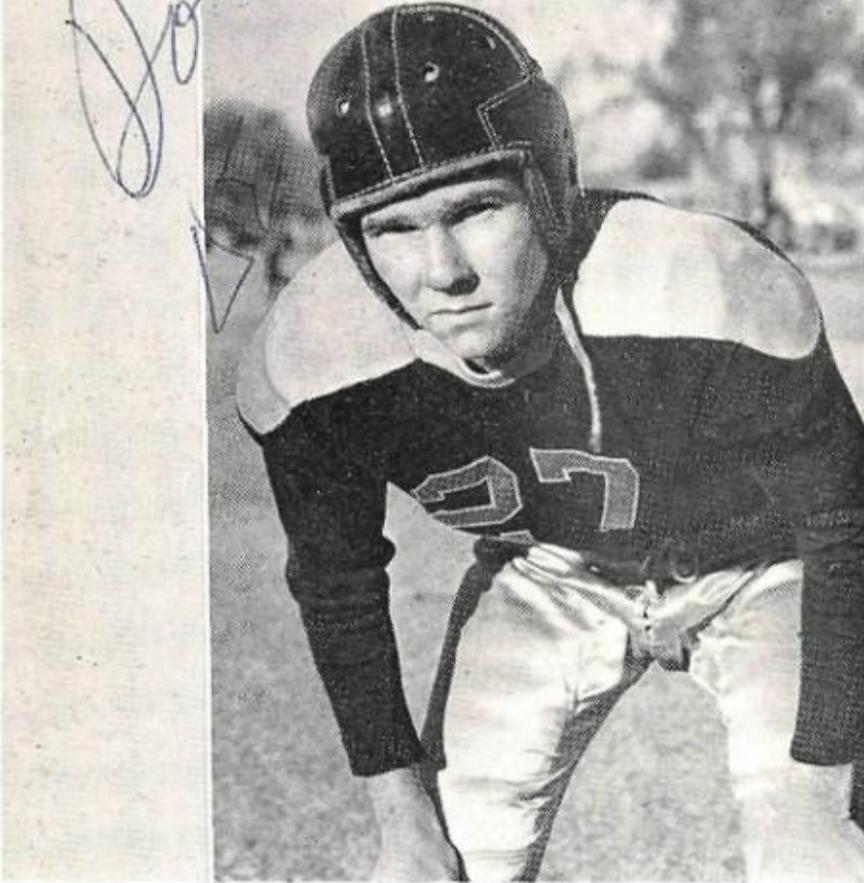

Hendley's pass-receiving surpassed all his other skills. He immortalized one pass play so that every team in the District still remembers it. He won All-District second team berth.

*Lloyd King*  
LLOYD KING  
Back—150

King, being a good passer, punter, and quarterback, played as an essential part of the backfield machinery. He won the ball at Lubbock for breaking up so many opponent plays.

## FOOTBALL

DON CAMPBELL  
Tackle—170

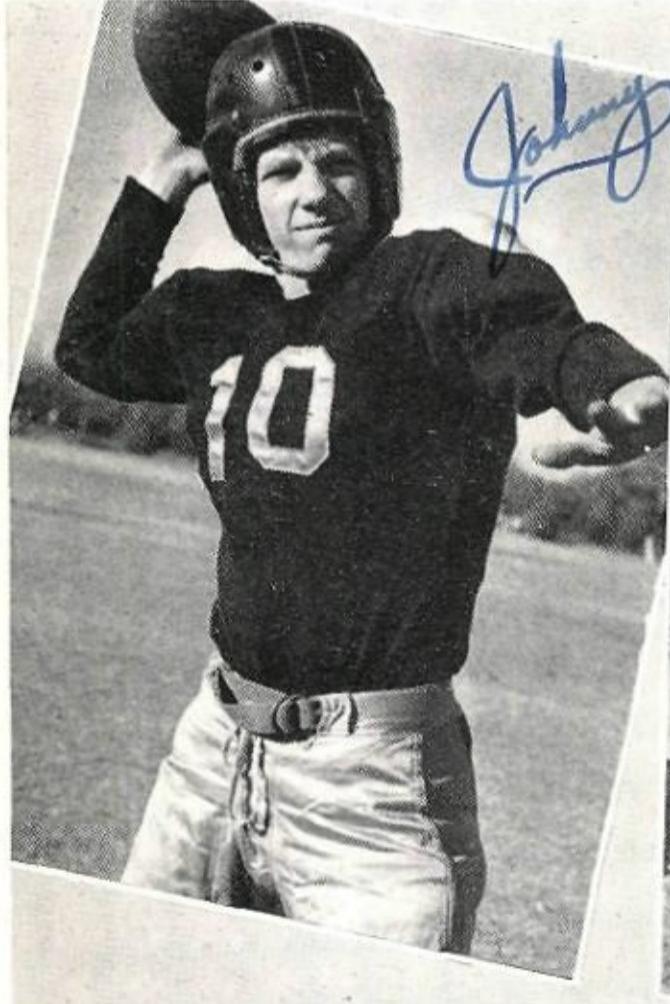

"Cowbell" had one of the hardest tasks on the field—outplaying boys thirty and fifty pounds heavier than he. He was a good player with spirit, and earned much playing time.

EARL GUITAR  
Guard—150

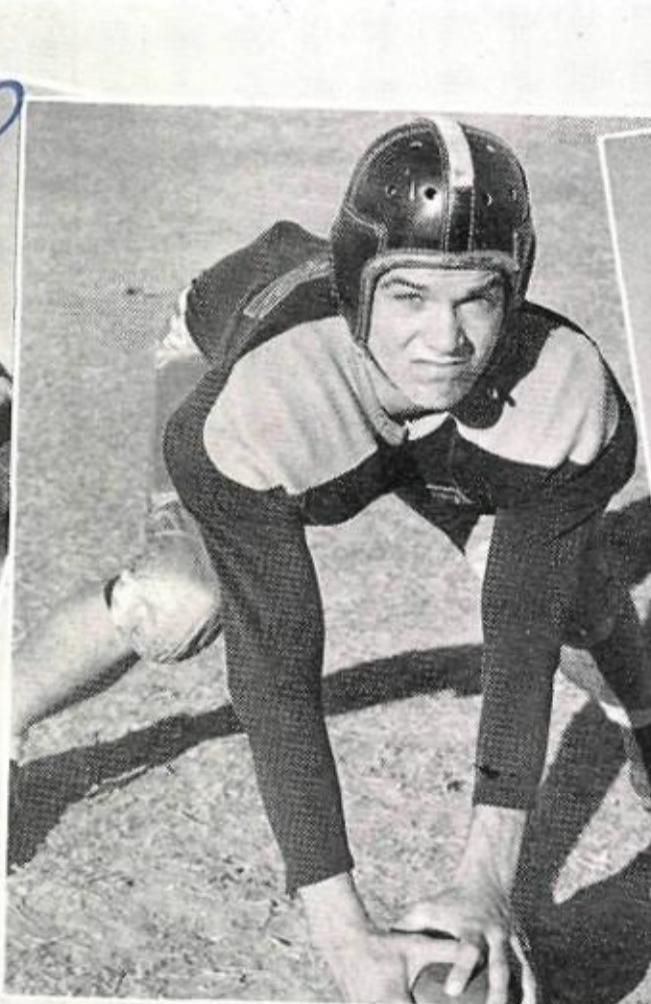

Guitar came to the varsity squad from the "B" team with little experience, yet was able to start the Midland game. He possessed a snapping and permanent blocking ability.

*Earl guitar*

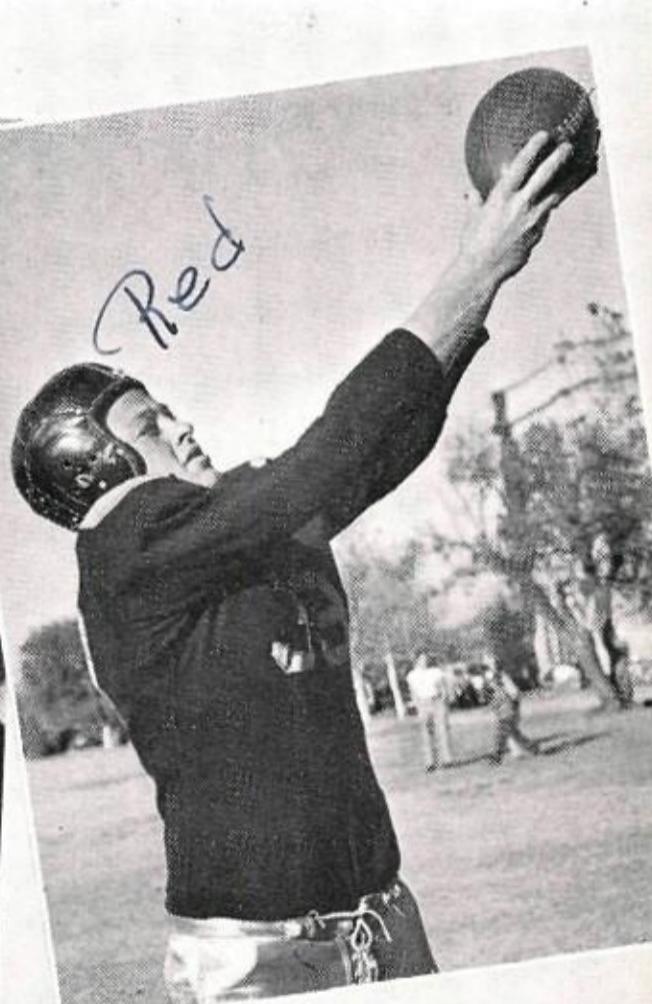

JOHNNY HOLLOWMAN  
Back—115

"Mole," the smallest boy on the squad, prevailed as the best broken-field runner. He was as hard to corner as a mole and became one of the best passers on the field.

AUBREY CRIDER  
Center—146

"Critter" lettered as center, but played nearly as much at guard as at the pivot slot. He turned out to be extremely important in the Midland game.

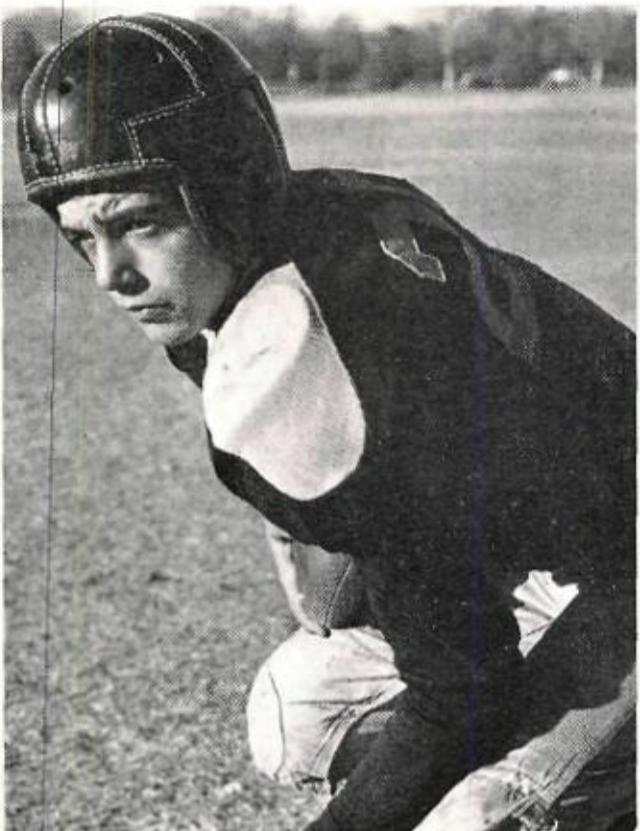

BILL WELDON  
End—170

"Red," the tallest boy on the team, proved to be a doubly valuable end, for he was good on defense and had a knack for snaring high passes. He could do this at both end positions.

Remember  
J. D. HINTON

## FOOTBALL

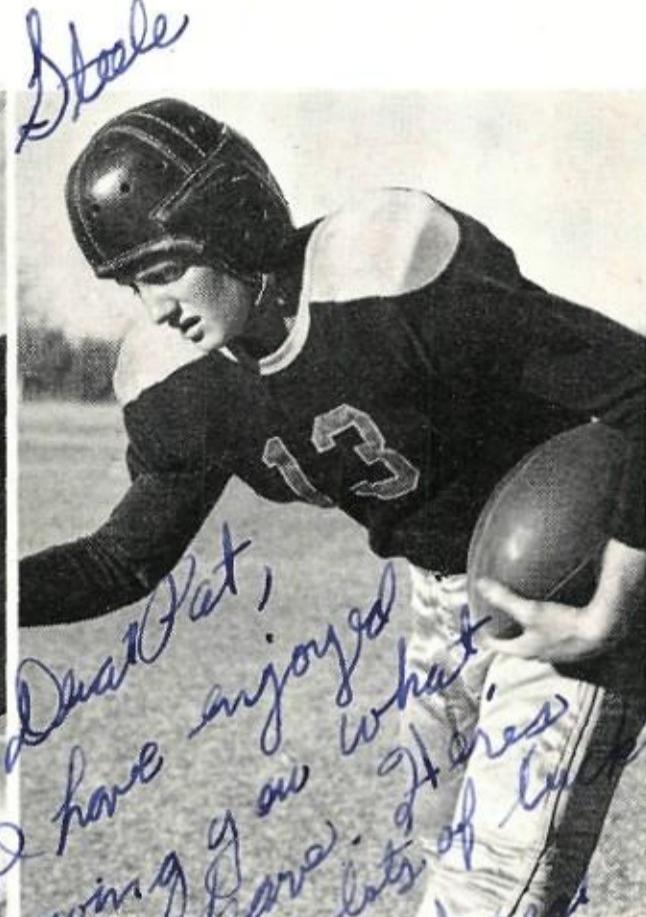

J. D. HINTON  
Back—170

Hinton, despite lack of experience, played in a great number of games. He was an exceptionally deceptive ball handler, with plenty of smooth, flowing power.

CLINTON McCOMBS  
Tackle—155

"Clint" earned the appreciation of all his teammates as a willing worker with an unbreakable spirit. He played outstanding football at tackle and guard.

Steele  
Dear Pat,  
I have enjoyed  
knowing you what  
little I have had  
you lots of fun.  
HARRAL STEELE  
Back—149

"Hawk" had the material that makes a smooth-working football team. He kept the first string backs improving all the time to keep their positions; therefore the team was always at its best.

## SEASON REVIEW

By DAVID BOWERS

ABILENE 7—ODESSA 18

In the first conference game of the season, the Abilene Eagles made a better showing than was expected of them. They rolled up twice as many first downs as the Broncos, though the score was in favor of Odessa. The first half oozed along with Odessa making the only touchdown. The kicking of Ray Perry stood out as the Eagles' greatest individual achievement.

"Where do I go from here?"

## FOOTBALL

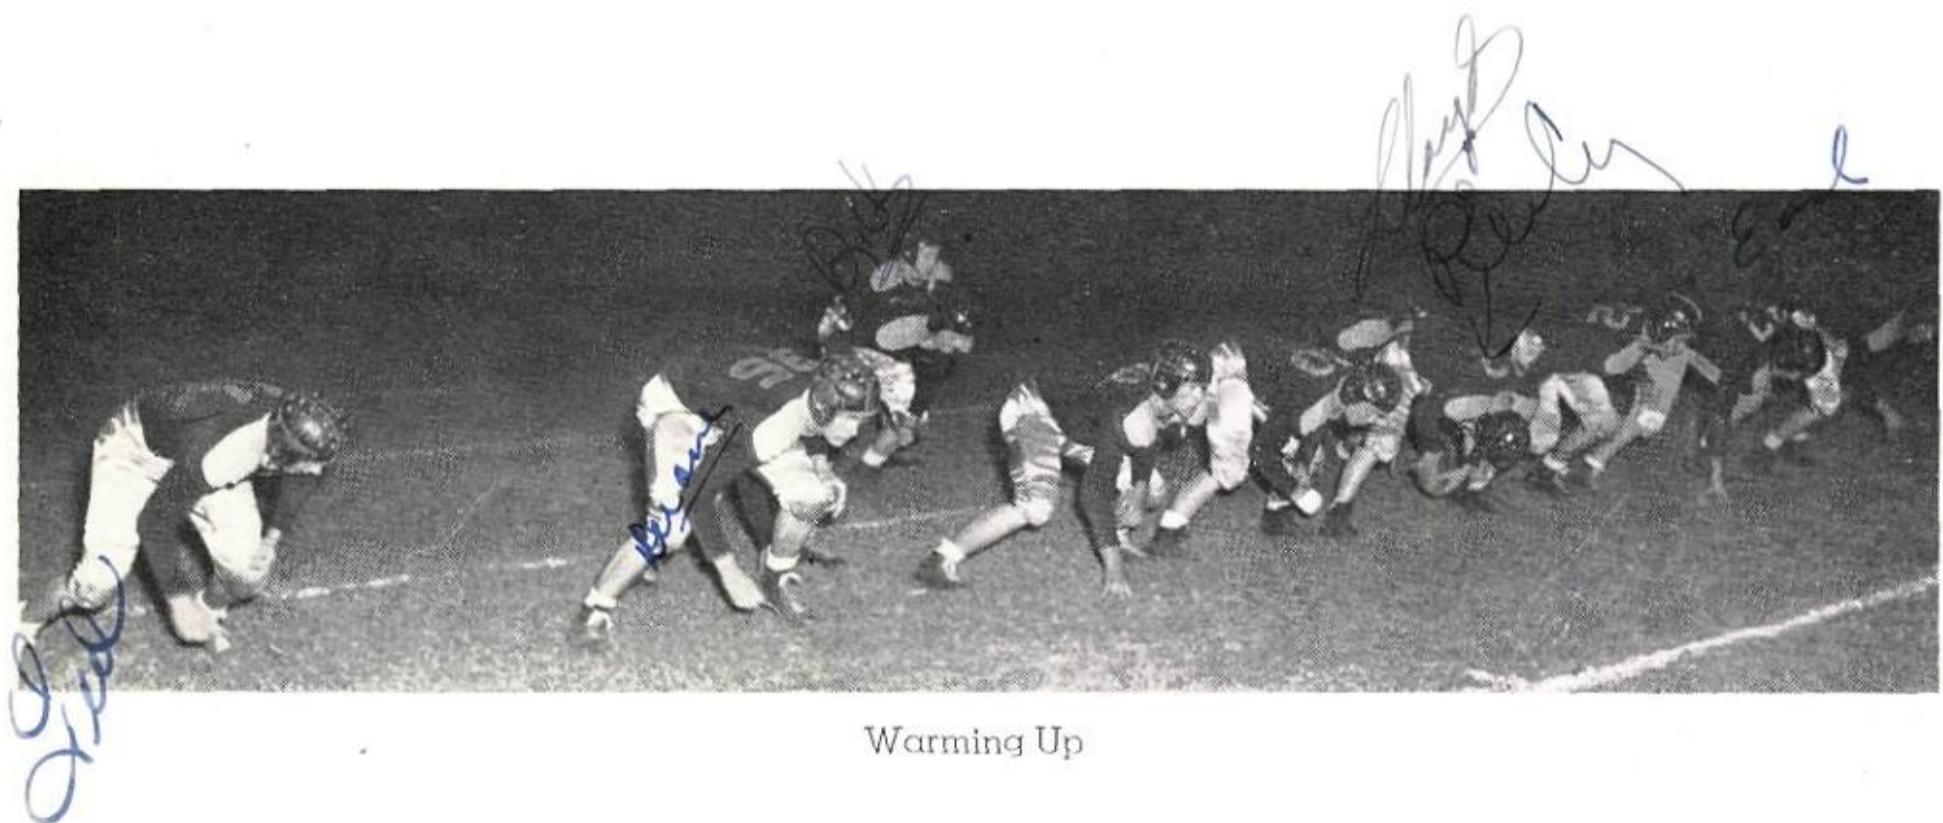

Game Captains

The second half started off with a bang as Odessa chalked up six points and the Eagle plays began to click with professional precision. The Broncos were on the defense for the rest of the game, even though they managed a long touchdown run on a trick play. The Eagles threatened often, but never crossed the double stripe more than once—this on a sixty-yard drive. When the last whistle blew, the Broncos stumbled off the field with an 18-7 victory that they felt very lucky to have.

### ABILENE 27—MIDLAND 6

The first half of the Abilene-Midland game turned out to be one of the most exciting exhibitions of football and teamwork in the District. In the opening minutes of the game, Midland completed a long pass for a touchdown. This set all Eagle supporters worrying, and when the first quarter brought no decisive action, they really began to get uneasy. In the second quarter, things began to pop. H. D. Terry started on an end-run that did not stop till thirty yards and a touchdown were marked up. Only one or two Bulldogs came close to Terry after the Eagle line, led by Daulton, had cleared the way. Before the crowd had quit yelling over this brilliant exhibition of team work, Terry caught a pass from King and squirmed forty yards to the eleven-yard line. Murphey powered the remaining distance for the touchdown. Only a few minutes were left in the first half when this last touchdown was made, yet the mighty Eagle team rolled over the Bulldogs for another tally before the whistle blew.

After the excitement and spectacular playing of the first half, the quite mediocre second half — which would have been excellent football at any other time—seemed uninteresting. Ted Hardin made another Eagle touchdown in the last quarter, and Duane Hendley made his third place-kick of the game—a three out of four record.

## FOOTBALL

### ABILENE 45—LAMESA 6

The Warbird Warriors gained another victory from the Lamesa Tornadoes to make their second conference win of the season. The Eagles' leading scorer, H. D. Terry, made eighteen points, Lloyd King stepped across the double stripe twice, and Billy Murphrey and Ted Hardin once each.

The night air was cold, and the Golden Tornadoes could not seem to keep up with the speedy Eagles. It was not long until the Abilene forward wall had ripped the shivering Lamesa eleven into shreds, and the Eagle backs were stepping off yard after yard. The Tornadoes did manage a long touchdown run against the Eagle substitutes, who were experimenting with new types of plays. The game ended 45 to 6 in favor of the Abilene Eagles.

### ABILENE 7—SWEETWATER 13

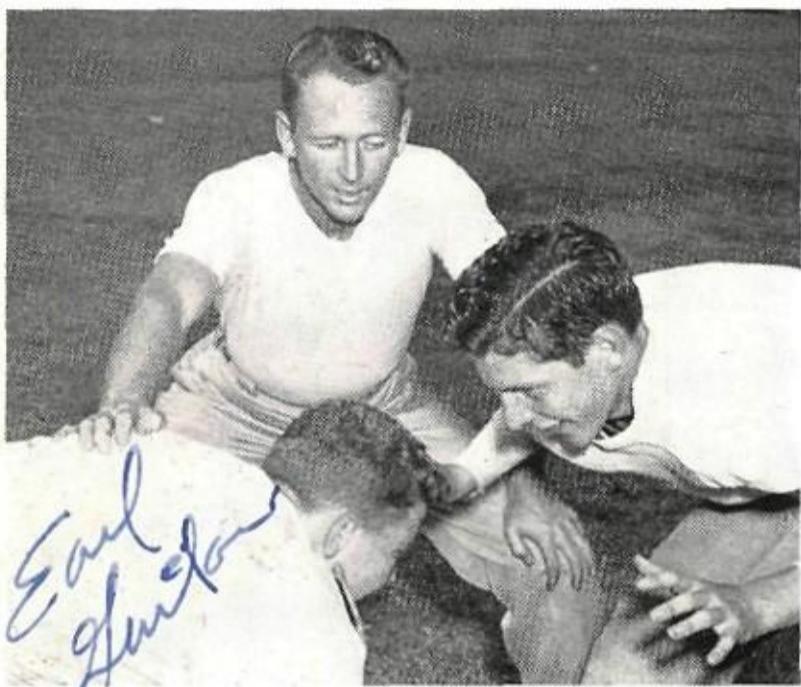

The Sweetwater game was the most heartbreaking loss of the season, because the Eagles rode the Mustangs like seasoned bronc busters for almost all the playing time. Just before the intermission, Green was injured while making one of his famous bone-rattling tackles and had to leave the game. As Bowers' broken foot had kept him from playing, Green's absence left the middle of the line without its regular playing experience.

When the second half started, King did not appear because of what the doctor feared was a broken arm. King had been quarterbacking in Green's stead and had been the middle linebacker; so the Eagles most experienced players were missing from the center of their defense. Until the Eagle substitutes could get the feel of things, the Mustangs made two quick touchdowns, which put them ahead 13 to 7. One touchdown and an extra point would win the game, and Billy Murphrey led the drive which went after it. With the substitutes playing great football, the Eagles were an irresistible force. In a matter of seconds, a touchdown would be made, but time was against them. The game ended leaving the Eagles nine yards and one play short of the winning score.

A clean pair of heels

## FOOTBALL

COACH JEROME VANNOY

A patient, dependable, well-liked, school-spirited coach

ABILENE 32—BIG SPRING 7

The Steers did not have the football team to stop the Eagles, who ran wild in this decisive conference victory. Gains of twenty or thirty yards were commonplace. Murphey became the outstanding back, making four out of the five Abilene touchdowns. To set up the first score of the game, an Eagle fell on a Big Spring fumble. Only four plays were needed to drive the thirty-four yards that gave Abilene the first six points.

Throughout the game the mighty Eagle line, in full strength for the first time since the Odessa game, jarred the ball loose from Steer runners nine times and recovered six. One of the best examples of team collaboration was H. D. Terry's intercepting a pass and returning it behind deadly blocking for a 55-yard touchdown. A play which showed the power of the Eagle offense was on a try for a first down. The ball was snapped to Murphey, who used the blocking of Green, Bowers, and Reily to get through to the line. From there he powered through the Steers' entire secondary for a 46-yard touchdown run. This game proved that the Eagles had a great offensive club when they worked together.

Good blocking—good running—touchdown!

## FOOTBALL

ABILENE 14—SAN ANGELO 26

When the Bobcats and Eagles met in the last game of the season, the fur flew and feathers fluttered. From the stands the Eagles looked to be the better team by far, because they were totaling twice as many yards as the Bobcats and getting many more first-downs. San Angelo's pass-completing and Abilene's fumbling made the difference in score.

After the first kick-off, the Cats were quick to make a touchdown, but the Eagles made one just as quickly when they took advantage of a short punt and drove thirty-four yards to even the score. Angelo made another counter near the end of the half, and the Eagles proceeded to even things up again, but fumbled the ball on the Bobcats' seventeen. That was the last chance to score in the first half.

In the second half the rock-wall line of the Eagles held their opponents to only seven yards running. Passing was the only method the Bobcats could use to make yardage, but they managed two touchdowns anyway. Again and again, Abilene would drive deep into pay dirt country, but lost the ball before they reached the goal. Lloyd King and Duane Hendley were a great pass-completing combination for Abilene, and with the help of Billy Murphey, the Eagles took a startling toll of enemy ground. They made one touchdown by power alone, but wasted much scarce time when the over-anxious players charged off-side. The game ended with the ball in San Angelo's possession and the Eagles striving to get it.

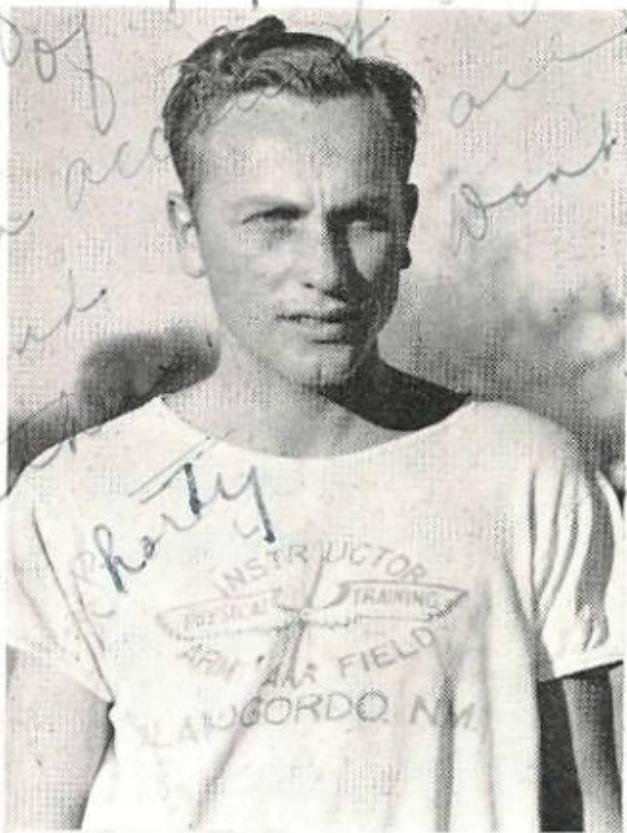

Take it easy; the hard work is later

The invincible Eagles do it again

## FOOTBALL

Coach William Lawson

"Shorty," as Coach William Lawson is familiarly called by everyone, came to Abilene High School for his first year of teaching and coaching experience. He taught history and physical education classes, and coached football, basketball, and boxing. He was successful in all his coaching activities, with his football squad making good showings, the basketball team he helped coach going to the State Tournament, and his boxing team winning all the tournaments that it entered. His boxing team did not get the publicity that he would have had it get because "going to the fights" was still pretty much of a novelty. Since Shorty won the bantamweight championship of Tennessee in 1942, he worked a great deal with the boxers and other interested men to make boxing a major sport.

After the Eagles won the District Tournament in the Eagle's Nest, there was no doubt that the Abilene team was the best on the court. During the opening game against San Angelo, the first half looked as if the Eagles were going to have more than their hands full, but when they came back from the half-time rest, they so far outstripped the Bobcats that the score was doubled in favor of the Eagles. They also played Lamesa and Sweetwater to win the District Championship, but had no trouble in winning by a safe margin both times.

**BI-DISTRICT TOURNAMENT**

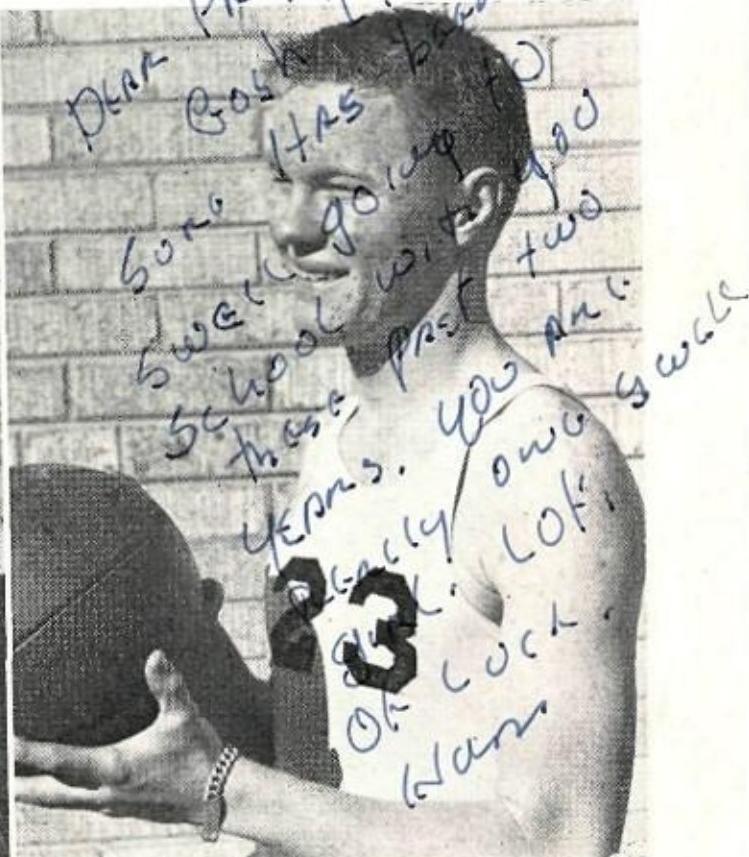

The El Paso Tigers, descending upon Eagleland with tenacious determination to win, nearly proved to be more than the Eagles could handle. They played the Abilene team three of the most exciting games of the season, with the Eagles yielding one game by two points and winning the other two by only three. When the starting time of the last game arrived, both teams were so nervous that nearly all the fans could see that the cooler team would be the winner. Before the third quarter ended, two of the excited and ruffled Tiger mains had fouled out, leaving the Eagles more than a fifty-fifty chance to win. Still the Tigers fought hard and could be beaten by only three points. Basketball ability and cool deliberation showed in the winning team—the Abilene Eagles.

### STATE TOURNAMENT

The Eagles were able to swoop down on Austin with a good team and many loyal supporters, even with two of their most important wingfeathers left behind in Abilene. Big Red Weldon and hustling Billy Murphey were in a sick bed. Weldon showed up in time to play in the game, where a six-foot-nine inch Greenville star was held to his most unimpressive game of the Greenville season. After holding the ball and killing time during the last minutes of the game, Greenville managed to win by one field goal. Since Greenville later won third place in the State and beat the Eagles by only one field goal, the Warbirds left Austin with one of the top ranking teams in the State.

The Memorial Library was started in the early spring of 1945 when Mrs. Carolyn Kunkel and her family sent two books, "An Intelligent American's Guide to the Peace," by Sumner Welles, and "My Country," by Russell W. Davenport, in memory of her deceased husband, Casey W. Kunkel. Casey Kunkel, an outstanding member of the class of 1932, suffered a nervous breakdown while managing a factory during the war. The Memorial Library now has ninety-nine books in memory of those who at one time attended Abilene High School and are now dead.

The Library Staff is made up of students who voluntarily give their time and efforts to the functioning of the library program of the school. They help with the circulation, typing, mechanical preparations of books, and assist students in finding reference material. This year they have spent much time in counting books for the evaluation of the criteria.

Dear Pat,

It took me a long time to find someplace to say my little say. I think you are one of the sweetest and the cutest girls I have ever met. I can't say that just to have something to say, but I really mean it, believe me. I have always adored you greatly for your wonderful personality. Although I don't know you real well, that isn't any sign that I don't like you. I will say "lot's work" as everybody has said probably, and always remember
